

Dear Valued Stakeholder

Thank you for your support as user of our Learner and Learning Management System. The system provides SAWIPB employers that have formally affiliated with the professional body with a range of functions to manage their employees' learning and development.

The needs of our affiliated members for additional Learning and Development functions have grown over the last year. We are very excited to offer you access to these additional functions. Please refer to the table below for a detailed breakdown of the functionality options and related cost. The three affiliation options for employers are:

1. Affiliation Option 1: Access to manage employees learning and development needs using the competence frameworks and learning programmes SA Wine has listed as point of departure. The subscription fee for Option 1 is R1000 per year.
2. Affiliation Option 2: In addition to the functions offered in Option 1 employers may add their own list of learning and development programmes to the list offered by SA Wine. This enables employers to customise and tailor the Learning and Development needs by adding for instance their list of in-house learning programme to the catalogue of programmes they use to develop their employees. This subscription cost for Option 2 is R2000 per year.
3. Affiliation Option 3: Employers that want to develop their people by offering their in-house programmes as online programmes to their employees may do so by subscribing to Option 3. The functionality includes training on how to load and customise in-house learning programme as online learning that employees can access via any web-enabled device. The online learning includes automated assessments to monitor the learning of employees. Subscription and access to Option 3 is R1000 per month.

Kindly consider the value of options 2 & 3 and let us know if you are interested. We shall contact you to discuss and clarify the benefits of the additional options. An invoice for the R1000 annual subscription for employers that have affiliated with SAWIPB will be sent in May. Payment of the subscription fee for 2025 is due by 30 June 2025.

Please contact me for any questions or if you are interested in upgrading your Affiliation Contract to Options 2 or 3.

Kind regards

Eden Marlaine du Plessis
